Dear Citizens,

As part of Governor Snyder's plan to rewrite the State's Mission Statement and reduce the overall budget, he has requested each municipality to create an Accountability and Transparency report.

The reports are called the Citizen's Guide and the Dashboard. These reports will be used to measure the City's progress in reducing expenses through shared services, operating efficiencies and employee contributions for benefits, and will supplement our annual independent audit.

We hope that these reports will help you understand the sources of revenue to operate the City, the services the City offers, and the cost of offering these services. They will also offer you the opportunity to compare the City of Bad Axe's financial information with other local governments, State government and private business.

Our job here at City Hall is to serve our local taxpayers. You are our priority and we appreciate all of your input.

If you have any comments or concerns please stop by to speak with me, email me at [dalevandevusse@cityofbadaxe.com](mailto:dalevandevusse@cityofbadaxe.com) or call me at (989)269-7681, and I will try to answer any questions you may have.
