Mayor and Council Comments

-Glaza mentioned that he may have an outlet for the old windows at city hall, once they are replaced with new windows.

-Glaza asked whether there should be a light on top of the elevator in town. City manager Bachman stated that the elevator is a private business, and the city has nothing to do with the lights on it.

-Glaza asked what happened with the bricks from the sidewalks, and also asked if people could go load them up if they wanted them. The bricks are city property and if someone wishes to purchase them they can contact city hall according to city manager Bachman.
